Dear DPAL Members,

We will elect new officers at the April 15 Monday night meeting. The slate of nominees was published in the March newsletter and announced at the March Monday Night Program. Again, the slate is: VP Activities, Stephanie Dalton; VP Membership, Tammy Proctor; VP Building and Grounds, Jim Karczewski; VP Publicity, Sally Hines; Treasurer, Cheryl Forsberg; Secretary, Kay Dublik.

Last month in the president’s letter I said there are many ways to volunteer at the league. One member volunteer, who many of you know, is Suzanne Massion. Suzanne wears many hats at the league which she refers to as her “second home.” Suzanne is an accomplished artist, a student, a teacher, the league historian, organizer and manager of the bulletin boards, Sgt. First Class Elf in the gift shop, and Captain of the Clean out and Clean up Police. She even laundered the clean up cloths every Monday!

Suzanne joined the league in 1991. She had attended a workshop in a DPAL member’s home and continued to study with the presenter Professor Chang Li during his residency in this area. When Dr. Li returned to China, Suzanne began to study oil painting with Marge Hall, who Suzanne says, “Provides another pair of eyes.” When Marge is away getting deserved rest and relaxation, Suzanne teaches Marge’s oil painting classes.

During the 1990’s when Marge was DPAL President, she approached Suzanne and asked Suzanne if she could “make some sense” of all the photographs, newspaper clippings, and various other papers in “the metal box.” Some of these papers went back as far as 1957 when the league was founded. Many photos were unidentified, some papers were distinegrating, and many records had no dates. Suzanne tackled the project which took her years to complete. Today Suzanne has archived binder after binder of the league’s history which includes: newspaper articles, photographs, newsletters, membership books, activity books, minutes of board meetings, the DPAL By-Laws, and records of gallery 2. Suzanne and her helper Sarah McGreevy continue to keep all the binders organized and updated.

Suzanne used to dust the gift shop shelves. She was Private Elf then. Now Sarah McGreevy is Private Elf and Suzanne, Sgt. First Class Elf, is in charge of checking and organizing items for the gift shop so all is in order and ready for Yvonne Thompson to display. Suzanne and Sarah also work as the Clean out and Clean Up Police. Recently librarian Barbara Grabowski and the Clean out Police sorted library books and sold duplicates and others which earned money for the league.

WORKSHOPS
We were happy to have two recent very successful workshops. Here are some quotes from the Lennox Wallace water color on canvas workshop. Diane A. "She had a lot of good pointers as well as suggestions. I enjoyed working with water color on canvas. She was an excellent teacher. Margaret B. "It was nice to be able to lift the color off the canvas, it was much more forgiving. It was great to paint directly without a preliminary drawing, she's an excellent teacher as well." Charlotte C. "I loved the way the colors sing and dance on the canvas. Lenox knows how to break down the process so we understand it."

Be sure to check our class schedule in future and enroll in a workshop before it fills and let us know if there is a workshop presenter in the local area you would like us to contact.

WORKSHOP ASSISTANT
We are looking for someone to help with setting up for workshops and assisting with the details involved. We have several workshops a year and any help would be welcome. Contact Tanya at 630-844-1928. Even a few hours would be appreciated. It's one way to meet new people and help the league as well.

WHEATON BANNERS
We hope you take time to look up as you walk around downtown Wheaton and notice the colorful banners honoring several artists. The following people are represented and are either teachers, students or members of the art league: Marge Hall, Gloria Moses, Jay Davis, Maureen McKee and Sue Young. Congratulations to them all. The League is well represented.

SUMMER SCHEDULES
We are working on getting our summer schedules out sometime in April so you can start planning for classes.

President's Letter Continued

Asked what she has gained from the DPAL professionally and personally, Suzanne emphasized the importance of exhibiting in the monthly shows. Suzanne wants to display and sell, and the league is a vehicle for that ambition. She also commented that her colleagues at the league keep her sharp and in the know about new techniques and innovations. On a personal level Suzanne says the members of this league are her friends and the important people in her life.

She advises members to volunteer. Suzanne suggests a member start with a small task that is appealing. “If the position doesn’t work out, try to find a replacement or at least let the league know if you are no longer going to do the job.” There are many volunteer opportunities; do one you like.

I so enjoyed talking with Suzanne about her volunteer work. On behalf of the board and membership, I would like to thank Suzanne Massion and her helper Sarah Mc Greevy for their service.

I have big thank you's this month for members who have generously donated items we needed.

Thanks to Nancy Tait's sister Carol, who donated a spare coffee maker.
Thanks to both Ellen Rottsolek and Marguerite Paris for the donation of office chairs. The staffes are now "sitting pretty" (and comfortably!)

A big thank you to Al and Barb Tampa who surprised me with another big bag of office supplies including ink for the printer! They have done this before and it really helps out.
And thanks also to Ann Johnson for the big box of sugar packets........ no excuses not to be sweet now!

So when you are Spring Cleaning and turning out, please give me a call if you think you have something we may be able to use. We are always in need of office supplies, paper towels and toilet tissue, but if you have a mono-chrome all in one laser printer hanging around, please contact me.

My Dad always said "If you don't ask, you don't get".....so I'm asking!!
