As I said in last month's newsletter, I am starting some fun competitions! All you have to do is send your answer via email to [dupage\\_art\\_league@sbcglobal.net](mailto:dupage_art_league@sbcglobal.net), by midnight on June 15. I will draw one winner from all the members who contacted me with the correct answer.

You also have a choice of the prize. Either a \$5 Gift Certificate to Dunkin' Donuts or a huge set of brushes, kindly donated by Little Friends.

So here is your question: What was the name of our 23rd President at the DuPage Art League?

Hint...You'll find a list of all the past presidents in your Activity Schedule. Join the fun and email me now!

## Gallery 1 News

**Sue Jurkus**

We had more than 100 entries for our May Volunteer Show and every entry was spectacular!

The gallery theme for June is "Golden Opportunity - a wish, a hope, a dream come true."

The pick up dates for your May artwork and drop off dates for the June exhibit is May 30-31. As of June 1, I am taking over the responsibilities of V.P. of Exhibits along with Marguerite Paris. I would like to extend my sincere thanks to Barb Denny and Chris Chlapecka for their help and guidance during this transition.

## Our 2nd Inside Sidewalk Sale!

**Yvonne Thompson**

630.966.9616 | [dupage\\_art\\_league@sbcglobal.net](mailto:dupage_art_league@sbcglobal.net)

We are getting ready for our second Inside Sidewalk Sale which will be held at the main Art League building at 218 W. Front Street, July 5-7. If you would like to help with pricing, please be at the Annex on June 21 at 2PM. A bonus to helpers... you can buy anything the day we sort and price! Please email or call Yvonne if you would like to help.

Proceeds will be split between "The Peoples Resource Center" and the art supplies boxes we want to have for first time students to use. These supplies will be available for the first two lessons when a student is taking a class in a medium they have no experience with. After the first two weeks we will expect students to purchase their own supplies. The kits will allow students to try a class without a big expenditure on supplies.

Due to the Sidewalk Sale, there is no Artisan Afternoon in July.

# Education Report

Nancy Anderson, VP of Education

The first summer session begins on June 4 and registration is well underway. Some classes are already filling up, so please be sure to register soon, either by dropping by the art league or calling.

Two new classes are being taught by Lauren Peterson, "Creating Expressive Portraits" on Tuesday mornings and "Exploring Water Media" on Tuesday afternoons. In addition, Ben Calvert will be teaching "Printmaking: An Introduction to Relief Prints" on Thursday evenings.

Several children's classes will be offered on a weekly basis, and summer camps include "Colored Pencil Art Camp," "Camp Pinterest," and "Northside Park Sketchers." A free children's workshop, "Crafting for the 4th of July," is being held on July 3. This is filling fast, and although there's no charge, registration is required.

I am pleased to announce that Jen Schwab will be acting as the new workshop coordinator. Please keep an eye on the newsletter for new workshops in the future.

No, my calendar says it's late May too, and I haven't lost my mind, but now is the time to start thinking of what you might like to make for the Christmas Show! I will host an Artisan Afternoon in August talking about items for the Christmas Show **and** how you can use Avery.com to make business cards, product tags, and presentation cards. No matter if you have never entered something in the show or are a seasoned exhibitor, you will learn how to make the most of what you have to offer and maximize sales.

Also, Sherry Theilgaard, the head of this year's show will be there to meet you all. Other people on the team will be Liesl Mann and Yvonne Thompson, but we do need more volunteers for this. Contact Yvonne Thompson if you would like to help.

# Board Notes

Our Treasurer, Kandi Husarik, reported once again that we are doing well. At the end of our fiscal year, our net income was \$7,432, our current cash on hand is healthy, our membership is up and classes are going well. The Saturday Life Figure Drawing class is doing exceptionally well, thanks to the work of the Coordinator, Mary Dorrell.

The board adopted a new Expense and Spending Policy that makes it clear which expenses are to be considered general expenses that do not need approval and which expenses require board approval.

Plans are under way for an Annual Meeting and Ice Cream Social to be held on June 24 from 2 to 4PM at the league. The idea is to mix some fun with a short review of what was accomplished over the past year.

There was a discussion about improving our accounting systems so we have a better idea of the sources of our income. It was agreed that we need to communicate better to make sure the system meets everyone's needs. Kandi and Yvonne are going to work on the project.

Last month we had some challenges with the fire alarm system, and we're in the process of determining exactly what we need to do to ensure it doesn't happen again.

The new water heater has been ordered.

The league is extremely grateful to the Little Friends organization for donating sets of brushes and colored pencils which will be incorporated into the kits we are going to loan to new students.

The Community Exhibits program is undergoing re-evaluation. Recently, we have had a challenge filling the requests for artwork. More news about this program will follow after the analysis is complete.

The newsletter is now taking advertisements. Members may place one small ad per month at no charge. See information about the ads elsewhere in this newsletter.
